## **H1N1 Influenza Clinics Week of October 26, 2009**

The Bristol-Burlington Health District (BBHD) will be offering H1N1 (formerly called "Swine Flu") Vaccination Clinics BY APPOINTMENT ONLY during the week of October 26, 2009 for the following groups:

- Children aged 24 through 59 months
- Children under 19 years of age with high risk medical conditions
- Caregivers of infants less than six months of age
- Pregnant women
- Healthcare workers and Emergency Medical Services personnel who provide direct care

NOTE: Pregnant women and children with high risk medical conditions must provide a note from their health care provider that they may receive the H1N1 vaccine. Children under the age of 18 must be accompanied by a parent or legal guardian

***NO WALK INS WILL BE ACCEPTED.***

Appointments can be made by calling the Bristol-Burlington Health District office at (860) 584-7682 between the hours of 9:00 a.m. – 3:00 p.m. You should plan to arrive 10 minutes prior to your scheduled appointment. The vaccine will be provided for Bristol

and Burlington residents ONLY. Proof of residency will be required. The vaccine will be provided by registered nurses and is free of charge.

Additional information is available online at [www.bbhd.org](http://www.bbhd.org) or by calling the Health District at 860-584-7682.
